Re - Improvements/ of Makkaji Chowk, ~~near Bazaar Market~~

In forwarding herewith a copy of the Trust Board Resolution No 255 dated 30th November 1948 together with the Office Note thereon, I have the honour to state that the scheme was originally for acquiring all the properties in the Island and on a representation of the owners, the Minister for Finance and Industries was pleased to inspect the spot in company with the Consulting Architect. With a view to effect internal improvements, slight acquisition of certain properties was proposed to widen the road etc, and necessary estimates and plans were placed before the Board and the same was approved (Trust Board Resolution No 403 dated 25-3-48 copy enclosed with note). The Municipal Council also have approved the proposal and communicated the Resolution no 907 dated 7th May 1948. The estimated for acquisition of these properties amounting to Rs 7,791/- may kindly be approved sanctioning the scheme. Abstract estimate of the properties proposed for acquisition together with a plan showing the properties coming under acquisition is enclosed for kind perusal and early orders. The expenditure will be met with under new schemes sanctioned for the current year.

Yours faithfully,
